

Nike R4 Trainers

Nike R4 Shox & Nike Tn Trainers

NIKE SHOX R4 Trainers Nike shox r4 are very popular these days. The Nike R4 shox come in numerous popular colours.

The reason The Nike shox r4 are so comfortable is the way they are formed. The shox part of the trainers are made of

four highly resilient columns. These columns work in conjunction with a Pebax moderator plate to cushion the foot and act like a trampoline.

NIKE SHOX R4 Midsole & Transition wedge Nike shox R4 have a full-length internal Phylon midsole with forefoot Air-sole unit and transition

wedge gives a much smoother ride. The upper section of these

Nike r4 is a two-piece, double-layered, track-inspired light weight

breathable material. The solid rubber outside offers excellent traction

for these Nike shox r4 and good durability on a variety of surfaces. Discount shoes offer

these superb trainers at a price of only £36.99 including Free delivery
